Enjoy a tropical holiday in America's Caribbean paradise, the U.S. Virgin Islands. Located amid 46 acres of tropical gardens, Virgin Grand Villas (also known as Westin Vacation Club-St. John) is a premier resort on the exclusive island of St. John. The island is perfect for those who love the outdoors, sandy beaches, and plenty of recreational diversions. The resort offers an outdoor swimming pool and six lighted tennis courts.

Westin St. John Resort Villas is located on beautiful St. John, the smallest of the U.S. Virgin Islands. Relax in the quarter-of-an-acre pool with surrounding palm trees dancing in a non-stop breeze. Enjoy the world-class cuisine served in three exquisite nearby restaurants. Distinctive, elegant marble floors and cathedral ceilings add to the resort's ambiance. Westin St. John Resort Villas is exciting by day, dazzling by night.

The villa has a private courtyard with our own pool, hot tub and barbeque. The kitchen was very well equipped with granite counter tops, stainless steel appliances and well equipped. The living room and dining room had modern, comfortable furniture with flat screen TVs in LR and each bedroom. The master had a walk in shower and jetted tub. Master bedroom had an outdoor access to pool area. Another bedroom has a king size bed with a sitting area and private bath with deep tub. Third bedroom has two queen beds with a shower.

All parts of resorts are very family friendly. Found employees to be very friendly. Pool and beach are great. Plenty of chairs with no problem with saving chairs like you see at the Marriott timeshares.

On the resort there are golf carts that you could call for or just go outside and wave one down. Taxis were available at front desk or you could call from your unit and they were there quickly. Car rentals were available right at the Westin. Concierge is very helpful on suggesting restaurants.
