

Sunset Ridge Villas by Mark Nayman

This tranquil timeshare resort, located on an island hilltop, offers spectacular views of Cruz Bay and St Thomas and offers a swimming and wading pool. Beach amenities abound in Cruz Bay, only a five-minute drive away. Choose from boating, fishing, waterskiing, windsurfing, and scuba diving adventures. Cruz Bay also offers fine and casual dining, as well as shopping. Two-thirds of St. John is a U.S. national park with historic ruins, protected beaches, and hiking trails.

The timeshare resort is rather unique as there are only six units and each one is a totally separate two bedroom home, including a private guest home. Outdoor whirlpool in your own private courtyard is nice but the jets are not adjustable and not super strong.

The main structure is a two story building with the upstairs being devoted to one very large bedroom with private bath. The downstairs has a living room with the standard pull-out sofa, dining area, laundry room and full kitchen. From the living room you can sit on the sofa and watch the cruise ships sail between the islands—outstanding views!

The guest house is a large bed room with vaulted ceilings and private bath. Private balconies are included from both the guest house and the master house. Each villa has two buildings – one for the master bedroom and the other for the kitchen, living, and guest rooms. Between the buildings is a patio with a small personal pool, a propane grill, and a table with chairs. The villa has all the amenities of a condo resort – kitchen, washer/dryer, cable TV, VCR, dishwasher, full size refrigerator. The ceiling fans and rotating fan provided adequate air circulation and cooling.
